

2005 BAR Directory

‘For the past six years AMA DataSet have managed the BAR Directory from start to finish. We are very pleased with their input and high level of expertise. Their involvement has saved us considerable time and money with the typesetting, proofing and their controlling of all advertising features and artwork.’

(Tracey McCarthy, Sweet & Maxwell)

The **BAR DIRECTORY** lists 19,000 Barristers, over 600 Chambers and features six pages of commercial advertising. AMA DataSet were asked by Sweet & Maxwell to produce the directory up to pre-press stage including setting all information from their final data, faxing 200 company logos for approval, and managing all the commercial advertising and artwork. From receiving the final data, PDFs were produced and approved within seven days.

Three-colour hardback cover, 1,930 pages in ten sections, printed black throughout.

2005 Register of Osteopaths

‘The production of the 2005 Register . . . looks very impressive and has received compliments all round. I cannot praise too much the cooperation, help and professionalism of all who contributed to the book and saved me many (new) grey hairs this year. I very much look forward to working with you again.’

(Gillian O’Callaghan, General Osteopath Council)

The **REGISTER OF OSTEOPATHS** lists over 7,200 Osteopaths and Practices in a directory of 760 pages. AMA DataSet were asked by the Council to manage all design, production, typesetting, print and delivery **within 14 days**. From receiving the final data, pages were typeset and proofs emailed to the client for approval within seven days. The PDF files were then sent to the printers and the Register was printed and despatched to London seven days later.

3,500 directories, 2 colour cover, embossed and laminated, 760 pages in six sections, printed black and spot colour.
